

The Festive Orienteering Trail starts and finishes at one of the 3 collection points.

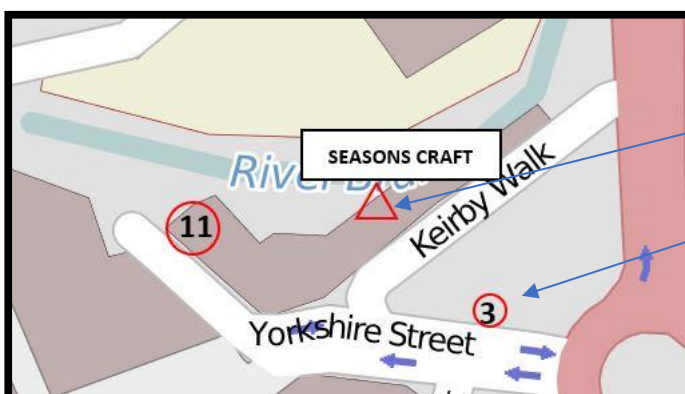

1. St Peter's Leisure Centre
2. Burnley Market Hall
3. Season's Craft and Coffee Shop – Keirby Walk

See information below about how to play and find attached your map and answer sheet.

How to Play!

- There are controls on the trail. →
- These will be in shop windows or on the front of market stalls.
- You can visit them in any order. You decide your own route!
- Once you reach a control you will see it has a festive code-word and picture on.
- Use the columns in the answer sheet to tick which code-word matches the number of the control that you are at! For example. You are at control 7 and the code word is presents; you would go across from number 7 on your answer sheet and put a tick in the presents column.
- **Once you have completed your trail; return your answer sheet to one of the 3 start point's and collect your festive treat.**

CONTROL SIGN

TRIANGLE – START
CIRCLES - CONTROLS
