

Rossendale Primary Schools' Orienteering Festival
Marl Pits
22nd June 2010

Many thanks for competing at the Primary School Orienteering Festival! We hope you enjoyed the day and the sunshine. Everyone did very well to complete the course, especially in the high temperatures.

The results are shown in the next few pages – firstly the overall results, and then separated according to Year Group and Boy /Girl pairs. (Please note that any mixed pairs have been categorised as boys pairs).

We have also calculated an overall school team result. This was done by adding the times of the top three pairs from each school (and making sure that there was at least one boys pair and one girls pair in the team).

I would like to say a big thank you to Gillian, Jim, John and Maureen from Pendle Forest Orienteering Club; Rachel, Lisa and Gill from the school sports partnership and Davina from Rossendale Harriers, for all their help on the day. The competition couldn't have taken place without them.

A number of the helpers commented on how well behaved and enthusiastic all the competitors were, and said that they were all a credit to their schools. So well done!

Cath Wilson (organiser)
