Planner's Comments

Thanks for attending the event on a brilliant evening for street-o. It was very positively received with many people commenting that it was good to be back doing a real competition. Kay Hawke and Emma Taylor did most of the organising and setup which made things very easy for me. Danny Allen ran the computing side smoothly with no issues.

No major issues were encountered on the planning side. 16 answers (<2%) were marked wrong with 8 being written in the wrong box, 5 listing the wrong answer/feature and 3 typos. Only 1 site (no. 48: a 20mph sign number) had 2 people giving a different answer due to a similar feature nearby, but 20 others got it correct.

If you enjoyed this there are 2 similar events in the next few weeks, Barnoldswick on Wed 7th April and a SELOC event at Prestwich on Tuesday 13th April.

Steve Wilson
